Editor's Letter

Dear Everyone,

A belated Happy New Year to all the residents of Rudston. We hope that all your wishes and indeed resolutions come to fruition this year.

January has been quite a dreary month and as all our family left after Boxing Day to resume their busy lives, Nick and I suddenly thought "we are retired ; we can do this " and popped down to the travel agent to book a new year break away. Of course after New Year it is "back down to earth"....such a busy time for those youngsters who are taking exams next term. I hope that you manage to do lots of studying. Sorry that does sound rather miserable! Anyway, we seem to have avoided Storm Gertrude's worst efforts and Spring is just around the corner.

We have had a surprise and welcome appearance of an old friend in our village.....water in the Gypsy Race! As you can see from the picture on the front of this issue, it is gurgling along merrily. Can anyone enlighten me as to how it has manifested itself in Rudston, when there is an absence of water in Burton Flemming? It is, however, apparently gushing out at its source , Duggleby Howe. If there are any geologists, ecologists, or any other important "ists", who have knowledge of this, perhaps they could write an article for the newsletter.

We are sorry to note that Jason, who was the manager of the Bosville Arms has moved away. We welcome Megan who is the new manager. I hope that people will support the pub in Megan's new initiative "Early Bird Special" meals for Friday and Saturday. You can see future events in the Bosville advert in this issue.

I would like to welcome any new residents to the village. I hope that you have long and happy stay in our beautiful village.

Dear Friends,

You may have seen in the press that the Archbishop of Canterbury is working with other churches to fix the date of Easter (something people have been trying to do since the 10th century!) Don't worry about pencilling the new date in your diary yet though; even if all goes well it could take 10 years. In the meantime we'll still have the moveable date for Easter Day which can fall anywhere between 22nd March and 25th April. This year we have a very early one; 27th March. That of course means Lent is early this year and you will see that Ash Wednesday (the start of Lent) is on 10th February.

Throughout the centuries Christians have looked on Lent as a special time of spiritual development (a little bit like giving yourself a spiritual workout or spring clean).

In our group of churches we will have a weekly 'Lent Lunch' to which all are welcome. Nice soup and bread, a short reflection and good company. Rudston's will be on Wednesday 17th February and Wednesday 16th March both at 12 noon in the village hall. The other dates and venues will be on the notice board.

We'll also have a weekly Lent course. Rev. Ray Eveliegh will lead this on Monday evenings starting 15th February. He's chosen the title, "Extra Time". It will be exploring the biblical 'Apocalypse' and texts relating to the end times. If you are interested in this fascinating topic call him on 01262 420062 for venue and details.

With every blessing, Glyn

On 5th Jan 2016, the WI meeting at Rudston Village Hall was attended by 18 members. Jenny Herring welcomed everyone and introduced the speaker, Robert Chester from Sewerby Hall, He is the Museum Officer for the inside of the Hall.

He gave a very interesting talk on its history and recent restoration.

Our competition was an old fashion kitchen item, judged by Robert. 1st prize went to Shirley Harland, 2nd Hazel Conner and 3rd June Sellers. Congratulations to you all. Also at the meeting we discussed items from the WI Newsletter.

On 15th December we enjoyed an excellent Christmas Lunch at the Trout, Wansford.

If you are interested in joining, or would like to come along as a visitor, you would be made very welcome. Our next meeting is on Tuesday 2nd February .This meeting will be an "open meeting" with speaker, John Walker talking about "a Victorian Golden Wedding". Anyone wishing to attend would be welcomed. For further detail, please contact Sue Dawson 01262 606153.

The coffee morning at Romana was very enjoyable before the rush of Christmas. Thanks to all those who gave, helped, baked and came and especially to Wendy and Tony for hosting the event.. £540 was raised for Church funds.

We would like to thank Charlie and Jane Richardson for providing the wonderful Christmas tree for Church and all who helped decorate for the festive season.

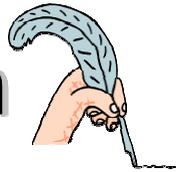

If anyone is willing to take a turn at cleaning Church, doing Church flowers or serving coffee after the services please let June know as the new rotas will be made shortly in time for April.

Thank you to all those who have taken their turn in the past year.

We would like to thank you for your support in 2015 and look forward to you, your families and friends joining us at our events in 2016

Crosslands Column

Trouble! I was beginning to think it was following me around before Christmas. Even mention of a minor crime in the last newsletter was unfortunate because coincidentally another one had taken place in the village, to which some thought I was referring. Apologies of course to anyone caught up in that. Both those appeared in the monthly police reports that we have been receiving for some time, but later in December came the news that those would be discontinued. (Another victim of “cuts” no doubt).

The dog article didn't appear in the last newsletter. It was coming from East Riding of Yorkshire Council and wasn't received in November as expected. It may or may not be found elsewhere in this issue.

Now some good news. At the December parish council meeting it was agreed that the Precept could be reduced, as our bank balance is likely to be on the high side at the year-end of 31st March. As a result, we are informed that it is equal to a reduction of £5.19 on your Council Tax band D. Whether that will balance increases elsewhere remains to be seen, and it should be emphasised that this Precept reduction is likely to be one year only. (As new audit procedures are introduced, we are keen to demonstrate financial “good management”!)

The December meeting was quite lengthy after a large number of “matters arising”. Most would probably be described as minor or routine though. The few bus service survey forms received at the time, perhaps not surprisingly, showed little use. It did throw up the related question of buses around the village though, and we questioned the necessity of some of them needing to use Church Lane and Eastgate. The answer appears to be “yes, we are afraid so”.

Another meeting will have been held in January by the time this is read, which promises to be a much shorter affair. Traditionally this is the one most likely to be affected by snowy weather, but at the time of writing the chances of that look pretty remote. The next meeting should be March, so plenty of time, and chance to advise date here, before that.

Fracking is the latest major concern in the area, and initial contact has been made by the company concerned, Cuadrilla Resources. Naturally they are stressing the potential benefits of their operations. Tests are still being undertaken, and any plans to operate in our area will go through the usual planning procedure via the county council. Meanwhile, if anyone has particular concerns there is a public helpline number: 0800 1303 884.

They would also consider coming to talk to us about it all, and this will be put to parish council members at the January meeting. (Personally I have visions of the Gypsy Race suddenly disappearing down a big hole!)

INSPIRING WOMEN

On behalf of all the members of Rudston WI, we would like to take this opportunity to say goodbye to Jenny Herring, who is moving to pastures new, and express our thanks for all her contribution and hard work. Jenny has been a wonderful asset to the WI and to Rudston Village, she will be sadly missed.

Dog Poo - Bin that Bag

Most of us are responsible dog owners and clear up any mess our dogs make in a public place, footpaths, grass verges, parks etc. Unfortunately there are one or two who don't and that gives all dog owners a bad name.

There is now legislation in place for the Parish Council, or any member of the public, to be able to take action against anyone whose dog is seen to make a mess in a public place and the owner does not clear it up. A report is sent to Beverley and an instant fine of £75 is issued. If this is not paid a £1000 fine can be expected following a hearing at the Magistrates court.

This legislation extends to people who allow their dog to roam free.

Please ensure that you have enough poo bags with you and bin the bag. Don't leave it in a hedge or on the roadside, take it home with you and bin it.

Please help us to keep the village a safer place. Dog mess looks disgusting, can cause blindness in children and is not a pleasant sight for visitors to Rudston.

"From the school"

On behalf of everyone here at Kilham CE Primary School I would like to wish everyone a happy new year. Christmas at Kilham CE Primary School was as busy as ever, with Santa Sunday, a school disco, performances of 'Gnome Alone' and 'Baboushka', a Christmas Welly Walk for the youngest children, a bike breakfast, Christmas Jumper day and a lovely nativity in Church. I would like to thank everyone involved in school's festivities for making it such a happy, memorable time for the children.

Our spring term has now begun and there are plenty of things happening at school. Computer club, multi-skills sports clubs and football clubs are all taking place this term, as well as swimming galas, hockey tournaments and football. Each class has started a new topic for the spring term; Class 1 are learning about space, Class 2 are finding out about 'famous queens', and Class 3 are going back to the stone age! We will also be continuing with a range of cycling activities, hosting our annual Easter Fair and having our Easter Service in All Saints' Church.

Kilham School are Humberside Champions
and one step from Wembley!

Continued on page 11

From page 10

After success in the Driffield Schools tournament and then the East Riding football championships, Kilham year 5 and 6 boys travelled to Grimsby on Friday 20th November for the next level of competition - the Humberside Finals. The boys played 4 matches, Airmyn Park Primary School were their first opponents, with Kilham winning 3 - 0, and then St James Church of England Primary School were also beaten 3 - 0! Barmby Moor were next - tougher opposition who were unlucky to concede an own goal early on, however it was caused by the pressure from the Kilham forwards and Kilham ended up beating them 3 - 0 as well! The final match was against Enfield Primary School. The boy's pattern of play continued in the final match and despite some strong attacks from Enfield, Kilham won the game 2-0!

Mrs Atkinson said, "Winning the tournament with a maximum 12 points and no goals conceded was a fantastic achievement."
