Editor's Letter

Dear Everyone,

What beautiful weather we are having, at the time of writing this. The village looks so charming and appealing.

Thanks to Simon England, who wrote about the visit to Kilham School by The Arch Bishop of York.

I am pleased to report that the Rudston Village Hall Afternoon Tea was a great success. We look forward to more village events, two of these being the Village Yard Sale and the Village Show.

When I wrote about the first Rudston Newsletter in the last issue, it did stir memories for some people; one of those being Chris Gatenby., who wrote.....

"I was interested in talk about the early newsletter. I did the typing, not from the very beginning but from quite early on. I typed a stencil, and if you made any mistakes they had to be corrected with red correction fluid "blood" and of course any centring or anything like that had to be worked out and done by counting spaces! It was great fun!"

When I read Chris' description of using stencils, I am so thankful for the computer, as I can just delete mistakes by pressing a key. However, my computer does have moments of extreme spitefulness, often outdone by the antics of the printer. "Pilot error" announces husband Nick.

Finally, welcome to any new residents in the village.

Church services and events for June

Rudston

4th	9.30am	(Pentecost) Holy Communion
11th	9.30am	(Trinity Sunday) Morning Prayer
18th	9.30am	Holy Communion
25th	11.00am	United Parish Holy Communion in Burton Fleming Village Hall

There is a service of Holy Communion every Wednesday Morning at 10.30am followed by coffee.

Dear friends,

Glyn is off until July 8th so I'm writing a bit. Sunday 7th May was a wonderful day for the church; the Bishop of Hull attended the service to confirm a group of people ranging in age from school children to adults.

Confirmation is all about making promises, confirming those that were made at baptism by parents and god-parents. It is a great affirmation of faith for those concerned.

Promises, of course can frequently be broken because we are broken people in a broken world, but one thing remains a certainty; the promises of Jesus are never broken, He is the same yesterday, today and tomorrow and he promises eternal life to all those who believe and trust in Him.

Would you like to enter in to that promise in a regular way? How about coming along to the services at All Saints, there is something for everyone.

All blessings to you all.

“From the school”

The Archbishop visits Kilham School

Our main piece of news from the last couple of months has been the visit of The Archbishop Of York to Kilham School. Dr John Sentamu joined us for the afternoon of 28th April, as part of his weekend of events around the Bridlington area.

The Archbishop was at the beginning of the Tour De Yorkshire

in Bridlington that morning, so we decided to have our own ‘Tour De World’, with the children bringing bikes and scooters to school and having a grand parade on the field.

We also had a special collective worship where we gave out our usual ‘VIP’ certificates to those

children winning the awards that week. Our theme for the week was ‘perseverance’, which linked very well with the Tour De Yorkshire, as during the assembly we calculated the total number of miles the contestants would cover that weekend (415!) Needless to say, we preferred our gentle parade around the school field... Our special assembly included an address from the Archbishop during which he talked to the children and parents about dedication and commitment.

All in all, it was a very special afternoon for school and, hopefully, enjoyed by everyone who attended!

All Saints Church Social Committee

Our next event is on Monday, Tuesday and Wednesday 14th, 15th, 16th August from 1pm until 5pm each day entitled " WEDDING DAYS" When there will be a display of Wedding dresses , bridesmaids dresses and Christening gowns with associated memorabilia in Church. Entry will be £2 each and tea ,coffee and cake will be on sale. We will also try to have Rudston wedding registers on display. Please let Susan Ward know if you have anything you could contribute / loan for the display. We hope people who were married in our Church will be interested to re-visit it for this event as well as the general public. Please tell your family & friends about it.

There will be a couple of weddings in Church this Summer - on June 3rd at 12 noon & August 12th at 3 p.m. so I hope the children in the village will continue the tradition of tying up the main gate with string or ribbon (& kindly come along with a pair of scissors) so the groom can unfasten the gate after throwing coins over it to distract the children who pick it up as pocket money.

Thanks to Wendy Proctor for organising The Bridge Day which raised £570 for Church funds and the Social Committee for all their hard work.

Volunteer Emergency Telephone System, or VETS.

VETS assists when a lone rescuer must stay with the patient and yet needs help in fetching the community defibrillator. By using a single memorable telephone number, this will ring up to 10 lines at the same time until a helper has been found.

VETS is a community run system, and enables up to 10 local resident volunteers to assist pending the arrival of the emergency services. The system can also be used for any emergency where additional help is required from neighbours, whether Cardiac Arrest or not. The availability of VETS gives a level of reassurance to the elderly, those living alone, and to the infirmed, that there is always help on hand.

The caller is played a simple message before VETS volunteers answer. If no answer, continue CPR until other help or ambulance arrives.

VETS does not replace 999 calls.

Please also note that the volunteer number should be a landline only – not a mobile number.

If you feel you are able to be on the VETS list please contact Jennifer Hobson – Clerk to the Parish Council on 01723 890084 or 07542874957, e-mail: clerk@rudston.org.uk

Rudston Parish Emergency Plan

Emergency Community Preparedness Plan

Self – Help Questionnaire

Dear Resident,

Introduction East Riding of Yorkshire Council recommends that every community in the County is prepared to help itself in the event of those rare occasions when public resources are so stretched that assistance may not be readily available for some time.

Severe weather, such as floods, storm damage or deep snow are likely to be the best examples of when an Emergency Community Preparedness Plan would need to be put into action until emergency services can provide assistance. In the event of such a catastrophe, local help may be vital to provide emergency food and shelter for people within our community and the Plan will be activated.

How can you help? The Parish Council are reviewing the Rudston Emergency Plan. We now seek your help in identifying equipment and personnel, who may be willing to help others in the event of a local disaster. Elderly and disabled residents may be particularly vulnerable, and will be given priority, but it is intended that every home in the parish will be contacted. To be able to do that effectively, we also need brief details about you.

Please spare the time to complete this questionnaire on the next two page– it will take a few minutes.
