## Editor's Letter

Dear Everyone,

I am sure that you will all join me in wishing Reverend Glyn Owen well, after having a heart attack on Monday 21st February. It was a terrible shock to all.

What an amazing few days we have had, as regards the weather. Perhaps by the time you read this, we will have reverted to the usual blustery March.

Once again, I can report that the latest Wander Inn was very successful, with people really enjoying themselves. It was interesting to hear some of the villagers talking about their childhoods and what they can remember about events at the Village Hall, many years ago. Any stories on this subject would be very well received for the newsletter.

The next Wander Inn is to be held on March 16th, which unfortunately Nick and I will have to miss, due to a birthday celebration at our house.

We are looking forward to the next play, by the Library Theatre, whom we welcomed last year. Details are on page 7.

The village Hall Committee are in the process of arranging lots more events for the future.

I would like to offer a warm welcome to any new comers to the village. I am sure that you will have happy times in the future.

What a lovely picture on the cover of the February newsletter. For so many years faithful helpers have climbed the steps of the church tower to wind the clock. Now thanks to the generosity of Mr Simon Dawson, in memory of his father Mr Alan Dawson the clock is wound automatically. However there are still many people doing jobs behind the scenes in the church, the village hall, children's playground and elsewhere in the village.

All these things contribute to making Rudston the lovely place it is to live in.

Dear Friends in Rudston,

First of all, I'm sure you will all have heard about Glyn. I think it may be time for him to hang up the squash racquet!! at least for a while. Seriously, though, news around the village travels fast and you may know more than me. He is awaiting an operation but has an infection at the moment, so they have had to delay it. Glyn is being well looked after and visited by Tricia, Bev and now Aaron daily. PLEASE do not text or call or visit him. I know this sounds harsh but the family are insistent on this, Glyn needs to rest and be with his family, he is well aware of the prayers and love that have been given for him.

We shall soon be in the season of Lent, beginning with Ash Wednesday on the 6<sup>th</sup> March, it is a time we closely identify with Jesus' own human experience of spiritual tumult, injustice, unfair treatment of himself, disappointment and a unique way of turning all that around once and for all at Easter. Life sometimes dishes out bitter experiences and disappointment and discouragement may result in a sense of despair. Life's experiences will make us either bitter or better, but the pre-spring newness of life is God's expression of His desire for us to have a fulfilled future.

"Are you tired? Worn out? Burned out on religion? Come to me. Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me—watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly." (Matthew 11:28-30, from the Bible version 'The Message').

Continued on page 4

From page 3

So the 40 days of Lent will soon be upon us and it's an opportunity to find God's destiny for our lives. An opportunity to find out what's going to fulfil you and all you're meant to be. Then choose to be bold enough to step out into the deep water of faith which can be amazing, memorable, life-changing and be the start of an amazing journey.

With love & blessings, Rev'd Barbara

The Reform Theatre company presents  
**TWO** by **Jim Cartwright**

From the award-winning writer of Little Voice and Road comes Two, a gritty yet heart-warming look at northern life filled with pathos and humour.

Set in a Northern Pub where the Landlord and Landlady's cheery greeting and friendly banter barely disguise their contempt for each other. They met outside the pub when they were kids, had their first drink there, courted there, had their Twenty Firsts there, Wedding Reception there, and now they own the place.

During the course of the evening assorted customers pass through including a little boy left by his father, an event that triggers a move towards a fragile reconciliation between the pub couple as their secret tragedy, swallowed back for seven years, comes to a head after drinking - up time.

Kilham Church of England Primary School

Headteacher Mr R Palmer

Dear Villagers,

The saying “time flies when you’re having fun” can be used to describe my first half term at Kilham C of E Primary School, where has the last seven weeks gone? Thank you to all of the children, families, governors and staff who have made me feel so welcome, I’m finally beginning to learn a few more children’s names and reflect on what it is that makes Kilham such a great school.

### Fencing and EYFS Canopy.

Over the half term holidays, the school was a hive of activity with teams of workmen installing our new higher, safer fencing and our new outdoor canopy. I hope that as you walk or drive past the school, you’ll agree that they both look in keeping with the aesthetic of the school and will help keep the children safe and provide them with outdoor learning opportunities whatever the weather.

Now that we are back in school, we will be looking at updating and renewing our outside provision and wondered if any parents, grandparents or relatives have any of the following items that they may be able to donate to the school. Items include outdoor water toys, old tyres (various sizes), bark chippings, waterproof covers and large storage boxes or baskets. If you have any of these, please contact the office.

### World Book Day and 30 Day Reading Challenge.

If you see dragons, magicians, elephants or warriors walking around Kilham on Thursday 7<sup>th</sup> March don’t worry as it is World Book Day and the children at school have been asked to come to school in fancy dress as their favourite book character. This year we intend to celebrate World Book Day with a fun-filled day of activities including paired work with older children reading with younger children and a range of activities based around books organised by the class teacher.

World Book Day also links with an exciting 30 Day Reading Challenge, children across the school are trying to read for 10 minutes during the day for 30 days out of 40. Any child completing this challenge will be given ten vouchers to go into our prize draw with three lucky children winning a £20.00 Amazon voucher. Happy Reading.

### Sports for Schools Launch.

Finally, children across school have been involved in an assembly, to launch our sports for schools event. During the assembly they found out about the activities they will be doing on Friday 8<sup>th</sup> March 2019 when Olympic athlete James Kirton will be working alongside the children in school, completing a fitness circuit. This event is a sponsored event, money raised will go towards new sports equipment for the school and support for GB athletes to compete for our country and inspire the next generation of athletes. All of the children in school are very excited about meeting an Olympic athlete and trying to raise money for school sporting equipment.

## Local Lifesavers Wanted

Yorkshire Ambulance Service (YAS) is looking for volunteers in this area to boost numbers on the local Community First Responder schemes.

Community First Responders are volunteers who provide immediate life-saving care to members of their local communities in an emergency medical situation, such as heart attack, breathing difficulties or a collapse, in the vital minutes before the ambulance arrives.

They are trained in Cardio Pulmonary Resuscitation (CPR) and the use of an Automatic External Defibrillator (AED) which delivers a controlled electric shock to restart the heart. The Community First Responders also carry portable oxygen, to assist with other conditions such as breathing difficulties, stroke etc.

Patricia Kilner, Community Defibrillation Trainer for YAS, said: "Community First Responders make a valuable contribution to their communities. We know that in many medical emergencies the first few minutes are critical. If effective treatment can be performed within those first minutes, lives can be saved and disability reduced. Being a Community First Responder can be extremely rewarding and I would encourage anyone who may be interested in taking on the role to contact us".

"Many people volunteer to gain experience, to help their local communities and some people have had personal experience of a loved one needing prompt medical attention and can see the value in this initiative. Volunteers come from all walks of life, young and older, working or retired, from teachers and drivers to shop keepers and army sergeants!"

Full training will be given to successful applicants who need to be over 18, physically fit and hold a full driving licence. YAS will also run Disclosure and Barring (DBS) checks and Occupational Health checks on candidates.

We are particularly looking for volunteers in:, Sledmere; Driffield; Burton Agnes; Kilham.

Anyone requiring further details please contact Patricia Kilner, Community Defibrillation Trainer on 07789 271071 or [p.kilner@nhs.net](mailto:p.kilner@nhs.net)
