Editor's Letter

Dear Everyone,

I hope that you all had an enjoyable Easter. At least the weather wasn't too bad and we had a lovely May Bank Holiday. Everything is back to normal after both bank holidays and then another bank holiday at the end of May.....of course if reported correctly, one political party leader has suggested 4 further bank holidays....Will that make seven four day weeks between March 1st and May 31st?!

The General Election is set to be very interesting. Not only will I be awake all night on June 8th, we have our 6th grandchild due on that day, so lots of excitement for Nick and I.

It was good to see the cows make their appearance in the fields; always guaranteed to make one feel that summer is on the way. Apologies for the lateness of this month's Newsletter. We have had difficulties in that our "Orange email" is closing down and we have had to spend a considerable amount of time changing our contacts list.

Please accept our apologies to anyone whom we have missed, as it has been a digitally difficult month!

I had an interesting discussion with some of the villagers, who were talking about the time when the Rudston Newsletter started 33 years ago. My neighbour, Julia Overfield, was telling me how she had been at the first meeting in February 1984 and on making further enquiries from Shirley Clark, I learned that the first issue (one sheet of green paper) came out in March 1984. There was a committee and the chair was Frank Alga, Tony Ezard was the treasurer, Barbara Burgess was the Secretary and Sally Cummins was the editor. Mike Ashford and Shirley Clark were also members of the committee.

It is very interesting to discover these facts and also that some of these people still live in the village.

We offer a warm welcome to any new residents. Hope that all those members of the village who are preparing for exams, have success and good luck to all those Year 6 children who have SATs to look forward to next week!

Missing Word for April..... Speakers Corner

Local News from our
Parishes

Estuary TV have sent a letter to the Parish Council, explaining what they do. They are the local television channel for East Yorkshire and Northern Lincolnshire, broadcasting to 350,000 homes, with an average weekly viewership of 92,000 homes.

As the local public service broadcaster for the area, they are always looking for new and original local content which is distinct from regional or national broadcasters. This would form part of their flagship weekday news programme at 5.30pm each evening.

They are interested in issues of local importance and are asking for someone in the village to act as their “media hound”, providing them with information and perhaps material for inclusion in their news operation.

If anyone would like to discuss this further with one of the news team, please call Luke or Dan in the Estuary TV Newsroom on 01472315553, or email the newsdesk at :-

We enjoyed hearing about Sue Woodcock's life experiences at the April meeting. Gloria Traves & Margaret Reed were raffle prize winners. In the competition First was Joyce Peace, Second Hazel Conner & third Margaret Raven.

We decided to go on an outing to the World of James Herriot in Thirsk on August 1st.

Our next meeting is on Tuesday May 2nd at 7 p.m. in Rudston Village Hall when Steve Carvill will talk about how he made the Gansey Girl situated at the top of Bridlington Harbour and other sculptures. The competition will be a sculpted ornament. Hostesses for May are Jean Moore & Maria Lloyd.

We will be confirming our vote for the national W.I resolutions. Hazel Conner has offered to host a Cream Tea in aid of the National incentive to Save Denman College, date to be announced - which is the W.I. college in Oxfordshire. We hope people will come & enjoy time at Hazel's & enjoy a cup of tea & cake.

All visitors are welcome at our WI meetings at a charge of £3. For more information contact June Sellers (President) 01262 420237

In the early 1950s I lived with my parents in Sheffield. Each summer we went on a holiday, as often as not to the Charity Farm camping/caravan site in Sewerby. I was a keen cyclist and went for bike rides in the locality, sometimes taking

in Rudston en route. I remember standing in wonder in front of the monolith. How did it get here? Where did it come from and why? --- questions that your website amplify and give answers to, for which I am grateful.

Now I am a very old man living far off in Shropshire on the west side of the country and yet nevertheless hope to visit it again before I die. It still fills me with wonder to think it was there for millennia before I was born and is likely to remain for billions until our earth is subsumed and destroyed by an expanding sun.

The odd thing is this: how come after six decades has Rudston suddenly popped into my mind when so much else has faded? Perhaps the Devil has been at work again? I joke of course!

Kind regards

DEFIBRILLATOR TRAINING

There is to be a training session for anyone that would like to know how to use a defibrillator to be held in the Village Hall on Saturday 10th June at 2pm. If anyone would like to register their interest in attending the training session please contact Jen on 07542874957 or e-mail your name and contact details to jen@jehbooks.co.uk

Volunteer Emergency Telephone System, or VETS.

VETS assists when a lone rescuer must stay with the patient and yet needs help in fetching the community defibrillator. By using a single memorable telephone number, this will ring up to 10 lines at the same time until a helper has been found.

VETS is a community run system, and enables up to 10 local resident volunteers to assist pending the arrival of the emergency services. The system can also be used for any emergency where additional help is required from neighbours, whether Cardiac Arrest or not. The availability of VETS gives a level of reassurance to the elderly, those living alone, and to the infirmed, that there is always help on hand.

The caller is played a simple message before VETS volunteers answer. If no answer, continue CPR until other help or ambulance arrives. VETS does not replace 999 calls.

VETS relies on volunteers from your community to be able to be called and therefore it is essential that these volunteer helpers know that they could be called upon at any time, and thus if the helpers are child minders or do not wish to be called whilst at work then they should not be on the VETS list.

Please also note that the volunteer number should be a landline only – not a mobile number.

If you feel you are able to be on the VETS list please contact Jennifer Hobson – Clerk to the Parish Council on 01723 890084 or 07542874957, e-mail: jen@jehbooks.co.uk

The Village Hall AGM

There were 12 people present at the meeting. The chair, Shirley Clark welcomed everyone to the meeting and said that it had been a trouble free year for the Village Hall, with regards to the property and contents.

There have been lots of bookings, including clubs and activities, private parties and some outside village events. The village hall committee has worked hard to maintain the standard of the hall and to provide entertainment. Shirley reminded every one of the first event of the new year being the Afternoon Tea.

Last year’s village show was successful, with lots of wonderful entries. The coffee shop held each Thursday provides a steady income for the hall.

Shirley thanked all the volunteers who provide refreshments and excellent service each week.

There have been many problems with the Post Office during the year, many of which have been solved, although there are still problems when the regular post office lady is on holiday. Shirley is working to resolve this issue.

Shirley thanked all the committee for their hard work and commitment, with special mention to Teresa, who has put in such a tremendous amount of work into all the social events. Nick, the treasurer, gave a report with a summary of accounts showing where the income came from and where it went.

Clubs/Activities/Parties raised :-	£4416	
Fund Raising	£601	
Coffee Shop	£1911	
Other Income	£859	
	Total	£6887
Running costs/Repairs etc.	Total	£6439

At the committee meeting following the AGM, the following were elected as officers; Shirley Clark chair, Sue Tompkin Secretary, Nick Tompkin Treasurer, Doug Clark Booking secretary, Teresa Blofeld Entertainments officer. Representatives of the various clubs were also elected to the committee.
