Editor's Letter

Dear Everyone,

As I write this, I'm sure that the children in our village are all excited about the preparations for Hallowe'en and Bonfire Night. The Hallowe'en Spook Fest at the pub looks like being a success, as does the Bonfire Night celebration, to be held on Saturday November 7th. We are looking forward to a really fun....and noisy evening at the Bosville Arms.

By the time you read this, we will have had the "Travelling Lunch" arranged by the Village Hall Committee on November 1st and all those villagers who purchased tickets, will have been treated to a gastronomic feast! Talking of feasts, don't forget the "Rudston Bake Off" on November 28th in the village hall.

You will see from the front cover of this issue that the bus shelter has been refurbished. Thank you so much to Max, Alex and Adele Van Heijden for all their hard work.

For many years, in the newsletter, we have been lucky to read Dick Robinson's gardening page. It is always informative and a great help to those of us who are not too knowledgeable about when and where to plant our fruit and vegetables. However, Dick has decided that next month will be the last gardening page. We would all like to thank Dick, for the hours of pleasure which he has given the readers of the Rudston Newsletter. Dick has kindly said that if anyone has any questions, he will be happy to answer them, so if anyone would like to take part in "Dick's Gardeners' Question Time", please let me have any questions and I will pass them to him and hopefully the answers will be published in the next issue.

Welcome to any newcomers to our village. As usual, there are lots of activities for all ages in which to take part.

Finally, thank you to all who have wished me well after my injury. I am now walking on one crutch and really appreciate being able to move around....although a return to yoga and tap dancing seem a long way in the future!!

22nd 10.00am United Parish Communion at Grindale
29th 4.00pm All-age Service

There is a service of Holy Communion each Wednesday Morning at 10.30am followed by coffee.

Dear Friends,

We all know Harvest is a time to say 'thank you'; to our farmers and fisherman, to all who bring and prepare our food. So, we give thanks to them *and* thank God for them.

When we thank God as well, something special happens; *because* we are thanking Him, those people are made *sacred*.

That might sound a bit of an old fashioned word these days but what it means is that people and things take on a new significance when we offer them to God because we recognise that God is revealed in and through them, we acknowledge *God is present*, that we are on '*sacred ground*'.

After all, *God is* in all things; His glory and majesty is revealed in the wonders of nature, His Creation, He is revealed in the human spirit and most of all He is revealed in His Son Jesus Christ. Because of Jesus we can see God. When we experience Jesus, we experience God. Why does God do this? Because He loves us and He shows us that He does in so many ways, but most of all in Jesus Christ, because in Him all things come together, are made new, are made sacred.

Continued on page 5

From page 4

Giving our joys and sorrows to God in prayer, thanking Him for our fellow human beings – all these things are ways in which we make our world sacred – because we acknowledge it to be God's world, He is there; which despite all it seems, is good, is blessed, is loved.

So what can we do? We can start by saying, 'God Bless you' to people we meet because in saying that we make the other person sacred, we acknowledge they are in God's presence, they are made and loved by God. Imagine if we all said that to everyone we meet what a different place the world would be, what a difference it would make!

So, in acknowledging God in all things, giving thanks to Him; seeing everything as something sacred, we are truly saying in the words of our Harvest hymn; *'all good gifts around us are sent from Heaven above, then thank the Lord for all for all His love.'*

Revd James Trowsdale

KAREN ROSE WOOD

Passed away suddenly on the 5th September 2015

Frank, Kelly and Kristy would like to sincerely thank family, friends and neighbours for their support, many kind words, thoughtful cards and letters during this time of great loss and sadness of a much loved Wife and Mum.

Thank you all who attended the funeral giving Karen the send - off she deserved. It was a great comfort to us. Also for the generous donations (£400) for the local Salvation Army and RSPCA.

RUDSTON WI OCTOBER 2015

The October meeting of Rudston WI met in Rudston Village Hall where 23 members attend-

ed. Mrs. Jenny Herring welcomed everyone and

the meeting this month was our annual meeting

where a new committee was elected. It was voted that Jenny Her-

ring would stay on as President and Melissa Raven to be Vice President and would chair our monthly meetings.

The committee for this year is as follows;

President	Jenny Herring
Vice President	Melissa Raven
Secretary	Sue Dawson
Treasurer	Joyce Peace
Programme Secretary	June Sellers
Internet Secretary	Melissa Raven
Competition Secretary/ monthly raffle	Gloria Traves
Committee members	Anne Harrison Maria Lloyd

On 17th October, 5 members attended the Federation Annual Meeting. The meeting started with the chairman's welcome, then the guest speaker for the morning was Janice Langley, who is our National Federation Women's Institute Chair. The afternoon guest speaker was Lydia Slack, a 23 year old hill farmer's daughter, who grew up on a Peak District Hill Farm. Then our WI choir, Eastern Lights entertained us.

On Friday 23rd October, we held our annual Wolds Rally with 4 other local WIs. This year it was Rudston's turn to host. Our theme, to coincide with the WI centenary year, was black and gold and the village hall was decorated accordingly. The evening started by Jenny Herring welcoming everyone and then the WI choir, Eastern Lights, entertained us with a variety of well know songs from different eras. Continued on page 7

From page 6

After supper, Brian Oxerby, a speaker from the Dickens Society in Malton, firstly explained about the work it does and then entertained us with two fantastic stories, written by Dickens.

One was a ghost story about a girl from York and the second about an evil cannibal. Brian was in costume dressed from the Dickens era. The competition was a floral arrangement and a decorative cake, both on the theme of black and gold. Kilham were the winners with an excellent display. Everybody seemed to have enjoyed the evening, judging by all the lovely comments which we received.

Our monthly luncheon club was well attended again. 14 of us had a lovely meal at the Bull and Sun in Bridlington.

Our next meeting is on 3rd November, when Jeanette Cawkwell will be giving us a Christmas decoration demonstration.

If you are interested in joining our WI or would like to come along as a visitor to one of our meetings, you would be made very welcome. Please contact Jenny Herring on 01262 420720.

RUDSTON WI

Sue Dawson and I would like to thank the ladies of Rudston WI for their support and help in making the Wolds Rally evening on Friday 23rd October a great success.

Also a big thank you to Lucy Lloyd, Mike Sellers, Bob Harland and Barbara Bedford for all their help.

Jenny Herring
President

The logo features the text 'the WI' in a green, lowercase, sans-serif font, with 'the' in a smaller size than 'WI'. Below this, the words 'INSPIRING WOMEN' are written in a bold, uppercase, green, sans-serif font. The entire logo is set against a light green background within a white-bordered box.

Christmas is fast approaching and it is shoebox time again!

A leaflet will be making it's way to your door soon. Each and every box makes a huge difference to a child and your continued support is greatly appreciated.

It was also suggested that some people might like to donate a few items rather than doing a whole shoebox. To this end there is now a 'drop box' in the village hall. If you would like to donate any item listed in the leaflet then please leave them in the Christmas box at the coffee shop kiosk on a Thursday.

The boxes are collected mid-November. Please drop them off to Adele at Bramble House on Eastgate (420 555).

Many, many thanks again for any support you can give to this fantastic appeal!

Rudston Village Hall Committee Meeting

The meeting took place on September 29th 2015.

It was noted that £65 was raised from the stall at the Thorpe Hall Fun Day. The details for the travelling lunch were finalised and the organisation of the forth coming "Rudston Bake Off" was discussed. We need a new notice board on the outside of the village hall and after much research into the type and cost, Bernard said that he would make one. The dishwasher has been mended and a new hoover is going to be purchased, after trials of various sorts have taken place.

Although there is quite enough fund raising taking place before Christmas, the committee will look into some new ideas at the next meeting, which was fixed for November 10th.

Grange Building & Renovation

- New roofs and roof repairs
 - Extensions
- New kitchens supplied and fitted
- New bathrooms supplied and fitted
 - Plastering and dry lining
 - Conversions and renovations
- Windows and doors supplied and fitted

Gardening Corner

This is the time to clean up the beds and get ready for winter. Finish planting all bulbs before December and get any Gladioli corms dry and stored, along with Dahlia tubers. Trees and shrubs are usually put in now. As a young gardener I was taught the “Three R’s” to plant in November...Roses, Raspberries and Rhubarb!!

Last month I mentioned apples, so now it's pears. Good crops of pears can be grown in most gardens if the right variety is chosen and if grafted onto the right root stock. For a medium sized tree try to get the variety on a Quince B or C root stock,

they are less vigorous than Quince A stocks. The best variety for this area is the famous Williams pear, followed by the Concorde, a kind of super Conference, raised in Kent in the 1970's, a cross between Conference and the finest of all “Doyenne du Comice”. This super french variety is outstanding and was top of the

100 varieties growing at RHS Wisley, Surrey, when I was there as a student in the late 1940's. Another top class variety is the French “Louise Bonne Jersey” and we might consider the East Yorkshire variety Hessele, not a first class fruit but is acceptable in early September (a favourite with the boys in Hull!)

Like apples better crops set where more than one variety is grown. Pears flower earlier than apples and depend a lot on the weather and flying insects for pollination. I recall very good crops in the Hull area and in the old walled garden at Thorpe. So what about setting up some trees in Rudston?

or you may buy them on the door.**

Crosslands Column

Well, it seemed to be urgent at the time! With reference to the removal of recycling bins, there was no reason to think that East Riding of Yorkshire Council would not stick to their listed dates. At the time of writing the containers are still there. The quoted “low usage” is a direct result of the introduction of household blue bins of course, and maybe we should be surprised that it hasn’t happened sooner.

Of the two categories affected it was only Paper for which the parish council received money. These credits have been slipping further behind, and a payment in June was for two 3-month periods up to March. That showed one collection of paper in six months, for which we received just under £40. (Amounts are based on total tonnage collected and with glass for that period to December was £177.83). There was then only a small amount of glass collected in the first three months of this year, resulting in a credit of £38.88.

I found I had already slipped up in the “Transparency” stakes (!) and not included that receipt in the minutes of the following meeting. However, the message must be to keep making use of the Glass containers please, as we obviously don’t want to lose those. Figures for the April to June period were received just before the last parish council meeting. They actually showed no collection of glass at all, and only one of paper. Members found that difficult to believe, but it is something which would also be difficult to question. The meagre amount received was £18.17.

Let’s hope this doesn’t encourage our phantom fly-tippers. We live in hope that someone will see whoever is doing that, and is able to report them. (They appear to have children who don’t keep their toys very long!) Although it is always pleasing to receive a monthly police crime sheet showing “Nil” for Rudston, it doesn’t take anti-social behaviour like that into account.

Continued on page 13

From page 12

The new brand of brighter street light was mentioned in a newsletter earlier in the year. East Riding of Yorkshire Council have been able to bring forward their programme of replacing older ones, and as some will be aware (particular those nearest to it!) a first example in Rudston is already in place.

The bus shelter has received a welcome tidy up and re-paint, as may have been noticed. The organiser, Parish Council member Mr. Shanks, was pleased to find young people in the village eager to take on that task. Thanks are due especially to Max, Alex, Adele, and any others who helped in any way. The small amount paid for materials is a perfect example of the way in which Recycling receipts can be used.

Progress on the Corner Garden was also reported at the meeting, and thanks expressed to those who have worked on that, particularly members Mr. Smallwood and Mr. Warcup. It is still intended to install information boards and benches in time, but you can now walk beneath the trees right around the site. Though at this time of year, with care and stout footwear, may be best advised.

The next parish council meeting is scheduled for Wednesday, 9th December, when the annual subject of next year's Precept will be discussed, and hopefully decided.

Phillip Crossland

(Please note that any opinions expressed in this column are not necessarily those of the Parish Council).

Rudston Heritage History Group meets on the Fourth Thursday of each month except December when it is the "Hands on Christmas event" on December 17th. All meetings are in the village hall.

The speaker for October 29th is Tim Schadla Hall "Mesolithic East Yorkshire"

The 26th November is Richard Myercough "The Great Wold Valley" each meeting starts at 7pm in the Rudston Village hall admission £2. For more details see:<http://rudstonheritage.org.uk>

ALL SAINTS CHURCH SOCIAL COMMITTEE

We invite you to a Pre-Christmas Coffee Morning at Romana, Kilham Road , the home of Wendy and Tony Proctor. This will be on Friday 4th December from 10 until 12. Tickets or entry on the door at £2.50

each to include coffee/tea, mince pies and scones. There will be a raffle, games and a stall of gifts, preserves, handicrafts and cakes. No bic-a-brac please. Any donations for the raffle or stall will be gratefully received. Everyone welcome. This is our final fund raiser for the year.

A huge thank you to everyone who helped with the flower festival in September. The pre-view evening was a very friendly affair as many farmers were celebrating finishing harvest. Visitors over the week-end commented on the amount of information they had gained about Winifred Holtby and many resolved to go and read her novels and poetry. The flower arrangers excelled in their interpretation of her work and her life. Thanks to those who sent items for the stall and raffle, gave donations for the flowers, helped serve refreshments ,the organists, Kathleen Thornton for the beautiful cake and Doug and Shirley Clark for the use of the field for car parking.

On Saturday 19th September 18 enthusiasts from all over the country visited the Church and Winifred 's grave and left a donation so the final figure for the event was £2057. After a very busy year we now look forward to organising fewer events for 2016 and thank you for all your support in the past and hope for your support in the future to ensure the continued running of All Saints Church.

June Sellers.(Social Secretary to Rudston P.C.C.)
