Editor's Letter

Dear Everyone,

Hope you have settled back to work, if you have been away on holiday over the summer. I'm sure the children will be happy to be back at school in their new classes! It is good to have news about Kilham school, this month. The children are involved in many activities and it was pleasing to see that the children received prizes for sport, music, creativity and perseverance. I am sure that this will encourage children in the school to strive for awards in the future.

I think I need to strive to win an award for perseverance in editing this newsletter. I frequently run out of ideas and am thankful to those who do send articles.....but we need more!

It is for this reason that the very small newsletter committee are inviting anyone to join us at our meeting in the Village Hall, on October 10th at 7 o' clock.

There was much talent to be seen at the Village Show last week. The judges had a really difficult task! The day was a great success and the village hall was full of people admiring the entries and enjoying the food. Thanks to Teresa and her team for organising this successful village event, which after a 2nd successful Village Show, looks set to become a permanent fixture.

The Village Hall committee is always looking for fund raising ideas and we are pleased to announce that the Library Theatre Touring Company, will be coming to the village Hall to put on a performance of Alan Bennett's "Talking Heads". This consists of 2 plays, which are most entertaining and we are looking forward to the event on April 14th.

There are many forthcoming activities in the village and it is hoped that they will be well attended.

Welcome to any newcomers to the village. If you read on, you will see details of many village activities.

Wendy & Tony Proctor will again be holding a Pre- Christmas Coffee Morning at their home- Romano, Kilham Road Rudston on Friday 1st December from 10.00am until 12noon. All are welcome. Tickets £3.00 are available from Wendy (01262) 420602 or Jean Corner (01262) 420622, or on the door.

A word from John Walker (Reader at Rudston)

This year we went to the Italian Dolomites. Whilst in Covara we went into the local Catholic church, here we encountered large posters telling us about a local chap Josef Mayar-Nusser who had defied the Nazi's in not taking the SS oath. As a confirmed Christian he felt it was against his Christian faith. At the critical moment on the 4th October 1943, Mayr-Nusser told the officer that he could not take the oath of loyalty to Hitler. His faith and conscience would not allow it.

Continued on page 4

From page 3

To his comrades he explained: 'If we never find the courage to tell them that we don't agree with their Nazi ideology nothing will ever change'. His superiors and fellow conscripts failed to persuade him to change his mind. So Josef Mayr-Nusser was arrested, imprisoned and transferred to Danzig (Gdansk) prison to await trial. In prison he experienced conditions of extreme cold with very little food. Condemned in January 1945 for undermining military morale, Josef was sentenced to death. He was transported to Dachau, where he was to be shot, but, much weakened by prison starvation, and feverish with dysentery, he died on 24th February at Erlangen, in the cattle wagon taking him there. Josef had written to his wife of his torment at the distress his witness and its outcome would cause her, but, he wrote: 'Pray for me that in the hour of testing I may act without fear and hesitation according to the dictates of God and of my conscience'.

The explanation for his courageous act of resistance can be found in an observation he had made about the idolatrous fascist cult of leadership: 'Today we must show the masses that the one leader who alone has the right to complete unlimited authority as our guide, is Christ'

I felt greatly moved that Josef had stood up for his Christian faith against the Nazi aggressor and paid for this with his life. We left the church feeling greatly humbled by Josef's stand for Christ. I was left wondering how strong our faith would have been in similar circumstances?

Operation Christmas Child Shoebox Gifts

The shoebox appeal is being organised by Chris Shanks this year.

These boxes make such a difference to every child who receives one. There will be a leaflet drop with details of the collection, which will take place in the first week of November.

Thanks Chris

The History Group usually meets on the last Thursday of the month. Meetings are at Rudston Village Hall at **7pm**. Everyone is welcome and admission, which includes an excellent speaker, a warm welcome and tea/coffee and biscuits is just £2!

This is being written just before the first meeting of the session which is 28th September. Dr Pete Wilson on "Cawthorne Roman Camps" I am sure it was very good and much enjoyed.

The next meetings are as follows:-

- ◆ **Thursday October 26th** Dr. James Lyall "Treasure under your feet"
- ◆ **Thursday November 23rd** Margaret Jury – "A Workers' Paradise"
- ◆ **Thursday December 21st** "Christmas Evening"
Hands on. Bring your own treasures complimentary seasonal refreshments this evening.
- ◆ **Thursday January 25th** Michael Mortimore "Boynton's Airship Pilot"
- ◆ **Thursday February 23rd** Dominic Powesland "People of the Vale of Pickering"
- ◆ **Thursday March 24th** Rick Hudson – "Disappearing Bridlington – Hospitality"

USED STAMP COLLECTION

Sue Gilbank, who collects used stamps, has asked me to tell you that when she took the latest bagful to the Lifeboat Shop, they said that they no longer collected stamps.

Sue would like to know if there is another charity who could use the stamps. She thinks she has heard that someone else in the village who collects them. Please get in touch with me and I will pass your details to Sue Gilbank if you can help with this.

"From the school"

Welcome back to the new academic year here at school! I remember writing last year's September/October news article and the weather had been wonderful. Not so this September; the changeable weather has meant several wet playtimes already!

Apart from the weather, our new school year has started really well. The children are all settling into their new classes.

We said goodbye to 15 children in July who were moving onto secondary school, and we have welcomed 14 new children into Reception and 5 other new-starters, as well as another new group of children into nursery.

We finished the year in July with several exciting events. Our first attempt at Sports Day was foiled by the weather, but the week after we had a blisteringly hot day for it – the children all had to move under the trees for some shade!

We then had the performance of 'Mystery at Magpie Manor' – our first summer production by Classes 4 & 5. This was enjoyed by everyone and the children did a really good job of putting on a musical production.

Continued on page 10

From page 9

On the last day of term, we held what is becoming our traditional

'Summer Picnic' and afternoon of dance. During the summer term, we are joined by Nicky Sweeney-Chisholm, a professional dance teacher, who teaches the children both fitness and creative routines. We all look forward to the afternoon of dance performances, and this year's did not disappoint! It even ended in a mass 'Charleston' with parents and staff joining in.

Our final afternoon of the year ended with our annual 'prize giving'. There are two prizes that mean a great deal to us here at Kilham School, as we award them to help us remember two people who were very much attached to our community. The 'Liz Butler' Art Award was awarded to Ella, for her consistently creative and detailed artwork; and the 'Ruth Nicholson' Music Award was awarded to Rebecca, for her all-round musical endeavours!

In addition to these, Ellie was awarded the Sports Award, which had been donated by 2016's leavers, and Holly and Emma were awarded our new prize, for 'Perseverance', which had been donated by our 2017 leavers and parents. Well done to all. What a great way to end the school year! There are already several activities planned for this autumn term to look forward to:

Last month we enjoyed an illustrated talk by John Walker about his visit to India. On Friday 22nd September 10 members attended the group Rally hosted by Kilham W.I. in Kilham Village hall with the theme entitled 'What Yorkshire means to you '. Rudston W.I. won the competition which included a display depicting the theme.

Hazel Conner contributed a cooked item- Yorkshire curd cheese-cake, and a needlework map of Yorkshire, Joyce Peace provided a poem about a visit to Emmerdale which Barbara Burgess composed for David's 50th birthday and June Sellers did a flower arrangement featuring Yorkshire tea.

Kathleen Thornton wrote out the labels and assisted June with staging the display. We had a wonderful supper including Yorkshire ham, cheeses ,Yorkshire puddings filled with roast Yorkshire beef and deserts accompanied by cider from Ampleforth. We were then entertained by a very amusing lady speaker. Proceeds from the raffle were donated to Yorkshire Air Ambulance.

The October meeting is our annual meeting when the President will be elected & committee nominated. This will be on Tuesday 3rd at 7p.m. in Rudston Village Hall . Hostesses are Shirley Sutton and Maria Lloyd.

The November meeting will be on Tuesday 7th at 7 15 p.m when we will have a demonstration of how to make a Christmas decoration.

Rudston Tennis Club

We have had a good season with the mixed team finishing top of division 3.

Both the mens and the ladies team finishing mid table in their respective divisions.

Social tennis continues on Sunday mornings 10am onwards and new players are always welcome.

Tabby and Patch

Thank you to the kind folks who have enquired about my lost cat, especially Clare who kindly put the information out on Facebook. Someone saw a similar looking cat at the Thorpe end of Eastgate, but we cannot be sure if that was him.

Another cat went missing not long afterwards, "Patch" a small black and white female cat with a fluffy tail – sorry no picture. If they have come to grief or have abandoned me and found a home elsewhere I would rather know. Any information would be welcome. Thank you

Poetry in Motion

I don't pretend to be in Ken Cully's class (as last newsletter) but I recently came across some of my own efforts from some years ago. This one followed a "Hot Shot" end during a Bowls match at Walkington in 2001. That is the very rare occasion when all your team's woods (bowls) finish up closer to the jack than the nearest of the opposition's. I'm not sure if I ever showed this to the rest of the Rudston team of the time so I trust they will forgive me, and of course we weren't always that good!

Jean's Dream Team

Sue is number one and throws the jack a long way,
(A long one gets opponents worried straight away).
First wood goes down, and finishes right on the jack,
Next one same – they have to say: "You won't want that back!"

Then comes Hazel, long or short – it's a tactical one,
Next, a brilliant wood, that's another one on.
What are the opposition doing, you may well ask,
They will have to be good to leave us any task!

Phillip's turn, and what have they left him to do,
One to take off? No problem, see it go straight and true.
That one gone, but then they put another one there.
Well, he'll just take that off as well – he doesn't care!

Now it's Skip's turn. Jean can do what ever you like,
Maybe both woods on the jack, or jack in the dyke.
So, opponents can give in – they haven't a chance,
'Cos these four Hot Shots will lead 'em a merry dance!

P. Crossland

(The team then was 4 players with 2 bowls each, nowadays it is 3 players with 3 bowls, probably making a Hot Shot even more rare).

Rudston Parish Council News

Funding for a second defibrillator – GET VOTING!

The Parish Council are in the process of applying for funding to allow the installation of a second defibrillator within the village. The exact siting of this is yet to be established but as Rudston is quite spread out the installation of a second defibrillator will make sure that the whole village has swift access in the event of an emergency. We have been successful in acquiring a sum of money from the Tesco Bags of Help scheme – but the exact sum we receive depends on how many votes our project accumulates.

Please help us by casting a vote in our favour next time you're in Tesco at Driffield. To vote you will need to make a purchase within the store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token. You then take your token to the voting unit in store and use it to vote for our project which is named Rudston Parish Council – Community Defibrillator. Voting will run throughout September & October

Volunteers still required for V.E.T.S

VETS assists when a lone rescuer must stay with the patient and yet needs help in fetching the community defibrillator. By using a single memorable telephone number, this will ring up to 10 lines at the same time until a helper has been found.

VETS is a community run system, and enables up to 10 local resident volunteers to assist pending the arrival of the emergency services. The system can also be used for any emergency where additional help is required from neighbours, whether Cardiac Arrest or not. The availability of VETS gives a level of reassurance to the elderly, those living alone, and to the infirmed, that there is always help on hand.

The caller is played a simple message before VETS volunteers answer. If no answer, continue CPR until other help or ambulance arrives. VETS does not replace 999 calls.

Please also note that the volunteer number should be a landline only – not a mobile number.

Continued on page 16

If you feel you are able to be on the VETS list please contact Jennifer Hobson – Clerk to the Parish Council on 01723 890084 or 07542874957, e-mail: clerk@rudston.org.uk

John is trapped in a room. There is a table, a chair, 2 doors and a small hole in the ceiling (6 inches in diameter) there. Behind the first door there's an extremely hungry lion that hasn't eaten for a couple of days. Behind the second door there's a glass tunnel that magnifies the sunlight, and it creates such a high temperature that even opening the door could kill John. How will he escape?
